

ENRIQUE CAMARENA MEMORIAL AWARD

Enrique Camarena made the ultimate sacrifice while trying to protect his fellow citizens from the too often violent and seedy world of narcotics. There is no way in which we can repay him or his loved ones for that sacrifice; however, we can pay homage to his memory through this award. The Enrique Camarena Memorial Award is granted to unit or individual that through outstanding effort continued the battle for which Special Agent Camarena gave his life.

THE MATTHEW SEIFER GROUP ACHIEVMENT AWARD

Matthew "Matty" Seifer was one of New England Narcotic Enforcement Officers' Association founding fathers. In 1941 Matty began a career as an Agent with the Federal Bureau of Narcotics in Boston. In 1967 that agency would become known as the Bureau of Narcotics and Dangerous Drugs. Ultimately the BNDD became what we know today as the U.S. Drug Enforcement Administration. During World War II Agent Seifer was drafted and served in the United States Navy from 1944 and 1945. After the war he returned to the Bureau of Narcotics and was transferred to New York. Agent Seifer would later return to the Boston office. During his thirty four year career Matty Seifer was the individual other law enforcement professionals and agencies would turn to with questions regarding narcotic intelligence. Matty Seifer was the "go to" agent during an era where everything was new and most challenging. During his career Matty Seifer held a number of other positions and posts of responsibility. The one thing Agent Seifer never stopped doing was enforcing federal drug laws. During 1973, at age 65, Agent Seifer purchased 100 kilos of marijuana at a Beacon Street Hotel in Boston. Matthew Seifer retired at age 69 in 1977. Matthew Seifer is the New England Narcotic Enforcement Officers' Association oldest living member as of May 2010 at age 102. He has been an NENEOA member since its inception. Matty Seifer has spent a lifetime serving the law enforcement community and his country.
